

Dear Parent/Guardian,

This is the 5th year that Staples – Sherwood Park, Fort Saskatchewan, and Camrose will be providing students of Elk Island Catholic Schools with devices for the One-to-One Learning Program. The One-to-One Program means students can bring their own devices to school for educational purposes.

The value of having a reliable source of high quality products and customer service is important to the school, the district, and to all the students and their families. We are proud to partner with Parents and Guardians like you to provide a total solution.
